

# Record Form for Observations

If you see the insect, put a tick under **Seen** and record **When** and **Where** you saw it. Then answer the questions, adding your own observations about the insect.

	Insect	Seen	When	Where
	<b>Banded Demoiselle</b>			
<p>What water was it near – river, stream, canal, lake, pond? Other?</p> <p>What else did you notice about this damselfly?</p>				
	<b>Four-Spotted Chaser</b>			
<p>Was it near water? If so, was this a lake, a small pond, a canal? Or another aquatic habitat?</p> <p>What else did you notice about this dragonfly?</p>				
	<b>Seven-Spot Ladybird</b>			
<p>If you saw it on a plant, what sort of plant was it on?</p> <p>What else did you notice about this ladybird?</p>				
	<b>Cockchafer (May-Bug)</b>			
<p>If you saw it flying, how would you describe its flight?</p> <p>What else did you notice about this beetle?</p>				

# Record Form for Observations

If you see the insect, put a tick under **Seen** and record **When** and **Where** you saw it. Then answer the questions, adding your own observations about the insect.

	Insect	Seen	When	Where
	<b>Red Admiral</b>			
<p>Where did you see it? Were there any nettles nearby?</p> <p>What else did you notice about this butterfly?</p>				
	<b>Common Green Lacewing</b>			
<p>What was this insect doing when you saw it? Did you see it feeding?</p> <p>What else did you notice about this lacewing?</p>				
	<b>Common Froghopper (Spittle Bug)</b>			
<p>Did you see the nymph inside the cuckoo-spit? What colour was it?</p> <p>What else did you notice about this bug?</p>				
	<b>Green Shieldbug</b>			
<p>What sort of plants did you see it on? Was it feeding on them?</p> <p>What else did you notice about this bug?</p>				

# Record Form for Observations

If you see the insect, put a tick under **Seen** and record **When** and **Where** you saw it. Then answer the questions, adding your own observations about the insect.

	Insect	Seen	When	Where
	<b>Ruby-Tailed Wasp</b>			
<p>Where was this insect and what was it doing?</p> <p>What else did you notice about this wasp?</p>				
	<b>Black Garden Ant</b>			
<p>Try to follow the ants' trail back to their nest: where is it?</p> <p>What else did you notice about these ants?</p>				
	<b>Common Earwig</b>			
<p>Was your earwig hiding somewhere in the daytime? Where?</p> <p>What else did you notice about this earwig?</p>				
	<b>Drone-Fly</b>			
<p>How do you know your drone-fly wasn't a honeybee?</p> <p>What else did you notice about this fly?</p>
